It's the qualitative peak of the Isole e Olena, and it best presents the search for excellence that has always characterised the work of Isola e Olena. Cepparello is not a vineyard project but rather a project of selection of the best grapes from the best vines. Created for the first time in 1980. Cepparello is a blend of Sangiovese from different vineyards, selected by Paolo di Marchi on the basis of the 'the best exposure, elevation, soil, genetics and age'. Its ages for 18 months in French oak Barriques, new and old -in a ratio of one to two- with a further year of refining in a bottle. Cepparello is released each year on the 1st of April.
